Dear Mr. Fishman,

Enclosed is a draft Remedial Action Master Plan ("RAMP") for New Bedford Harbor. As we discussed on the phone today, we are making this draft available for comment by the public, including you and the AVX Corporation. It was prepared for EPA by a contractor, Roy F. Weston, Inc., and does not necessarily represent final EPA policy. We would like to receive all comments by March 14, 1983.

If you or AVX have any questions concerning the draft RAMP or any other aspect of New Bedford Harbor, please feel free to call either myself, at 223-4635 or Gerard Sotolongo, at 223-5775.

Yours sincerely,

Charles C. Bering
